

The Wheeler Siding Incident

The report from Wheeler Siding came in thin, and what follows is everything the deputy would stand behind under oath. The ledger will hold up if you will.

CLUES & EVIDENCE

- The bloodstained duster came off Nabor Zamora, and there's no arguing it.
- Amos Pike was never linked to the snapped fiddle string.
- Amos Pike wasn't carrying the broken hub band.
- Ephraim Boyd stayed well away from Relay Hollow.
- Slim Pete Rourke never made it as far as Wheeler Siding.
- Slim Pete Rourke had no use for the broken hub band.
- Ephraim Boyd was nowhere near Wheeler Siding.
- Nobody could place Ephraim Boyd at Broken Wheel Trail.
- Nabor Zamora kept well clear of Wheeler Siding.
- You can rule out Broken Wheel Trail for Nabor Zamora.
